We can help you if you are unable to use public transport and do not have your own vehicle

What we do

Volunteer drivers provide a service to help people who find it difficult to use public transport, either because of problems with accessibility, timetables or mobility and those who do not have their own vehicle.

We can help if you live in the Tandridge area and have important or day-to-day appointments to get to:

- * hospital, doctor, dentist, physiotherapy or opticians.
- * exercise, therapy or social groups.
- * hairdressers or shopping.
- * visit friends or relatives.

The Tandridge Voluntary Car Scheme can arrange for a volunteer driver to pick you up from home, wait for you, for a reasonable time, and take you back home.

Please note that if the duration exceeds 2 hours then the journey would need to be split into two separate chargeable bookings.

How to book

When you call you will be asked for your name, address, phone number and date, time and location of your appointment.

To minimize costs we will try to find a volunteer driver who lives close to you.

One of the car scheme coordinators will call you back with the name of the driver assigned to your journey.

Please give as much notice as possible, minimum of 2 working days.

We cannot guarantee that every request will be met – although with enough notice it is rare that we cannot help.

Journeys can be booked 14 days in advance.

How much does it cost?

All of our drivers are volunteers and give their time without being paid. However, there is a nominal charge of 60p per mile: this helps cover the driver's fuel and vehicle running costs *and* also includes an admin charge. In addition the passenger pays for any car parking charges.

The charge for the journey is calculated from the driver's home and is payable to the driver at the end of the journey.

Cash only.

Our Team

Our volunteer drivers live in the Tandridge area and use their own vehicles.

They are happy to help if you need assistance to and from the car/appointment. Solid and collapsible walking frames can be taken and in some cases, depending upon the vehicle size, collapsible standard wheelchairs.

You will be asked about any assistance requirements and mobility aids when you make a booking.

All of our volunteer drivers have a DBS (Disclosure and Barring Service) check.

Our booking team answer calls during office hours Monday to Friday on **01883 701270**.

The volunteer drivers are then contacted and given details of the journey requests.

When a driver has been found you will be contacted and advised that the booking has been confirmed.

Your contact telephone number will be given to the driver.

Please note that bookings are unlikely to be confirmed on the same day as calls are received.
